

## Sustainability Goals 2021

# Result

During 2021, we worked with five sustainability goals. The goals are linked to four of our focus areas; Staff & Health, Sustainable purchasing, Environmental impact and Social responsibility.

A sustainability report will be published in 2022.

### STAFF & HEALTH

**GOAL:** 100% of Sundström’s employees shall undergo sustainability training.

### SUSTAINABLE PURCHASING

**GOAL:** Development of a new Code of Conduct for suppliers.

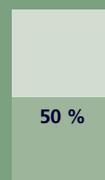

### ENVIRONMENTAL IMPACT

**GOAL:** Do a survey of Sundström’s waste management.

### SOCIAL RESPONSIBILITY

**GOAL:** Do a review of Sundström’s sponsor policy.
